

AGENDA

South Florida Water Management District - Science Workshop River of Grass Project Planning Phase II

January 27, 2010 10:30 a.m. - 4:00 p.m.

January 28, 2010 9:00 a.m. - 4:00 p.m.

SFWMD Auditorium, 3301 Gun Club Road, West Palm Beach, FL 33406

The South Florida Water Management District and Florida Department of Environmental Protection announce a second science workshop to aid in defining key characteristics of Everglades hydrology and the means by which these characteristics should be measured during the River of Grass Phase II project planning process. This highly technical workshop will review the latest science associated with hydrologic stage and flow targets and present model results and ecological data that support restoration of the greater Everglades ecosystem.

DAY ONE - January 27

Welcome & Introductions

Dick Pettigrew, Meeting Facilitator

Brief Overview

Ken Ammon, SFWMD Deputy Executive Director,
Everglades Restoration & Capital Projects

Presentations & Discussion

Terry Rice, Miccosukee Tribe of Indians of Florida

Fred Sklar, SFWMD

Mike Waldon, Arthur R. Marshall Loxahatchee National Wildlife Refuge

Walter Wilcox, SFWMD

Wrap-Up and Adjourn

Dick Pettigrew

DAY TWO - January 28

Continued Discussion

Summary and Wrap-Up

Ken Ammon

Greg Knecht, FDEP Director, Ecosystem Projects

Adjourn

Dick Pettigrew

*Lunch break times to be announced.
Public comment is welcome throughout the workshop
and following each presentation.*
